

PROJECT MANAGEMENT CONSULTANT

Barbee Davis, PMP, PHR,

before becoming an Integrated Project Management Workshop instructor, was Co-owner and Vice President of Sales and Training for ExecuTrain of Nebraska, which opened in 1992. She came to ExecuTrain from Wilson Learning, where she was an accredited facilitator for their Management Development, Sales, Customer Service and Time Management workshops.

Barbee has many years of experience in training and consulting, and has written and facilitated technical training for IBM Corporation and other large customers. She has designed and implemented projects in a number of varied industries, and has been involved in large project rollouts for many national corporations.

In addition to Barbee's years of experience with ExecuTrain and Wilson Learning, she owns Davis Consulting, formed to provide Training and Development workshops, customized training materials, and Project Management consulting services. She has been on staff with the University of Nebraska at Omaha, Nebraska Wesleyan, and Bellevue University. She has written a national HIPAA manual and is proficient in online learning instructional design, having both written for and taught on Blackboard for universities and corporate clients.

Ms. Davis holds a degree in Education, a Master's, a PMP (Project Management Professional,) and a national accreditation in Human Resources (PHR). Barbee writes a semi-monthly feature for the Project Management Institute publication Community Post, in which she guides international project managers to more successful projects.

Member of the American Society of Training and Development, Past VP of Position Referral - Omaha Chapter Board; Human Resources Association of the Midlands; and the Project Management Institute, Past VP of Special Projects - Heartland Chapter Board.

Highlights

- ◆ Barbee's latest book is, "97 Things Every Project Manager Should Know" for O'Reilly Media. She is coauthor of a book on Microsoft Project for Macmillan Computer Publishing. Her next book, "Quick Quizzes for Project Managers" published by PMI should be out in the spring.
- ◆ Barbee has written and taught multiple PMP/CAPM Prep classes for the Heartland Chapter of the Project Management Institute and private national organizations.
- ◆ Developing a Personal Banking division and a new Customer Service/Sales Center for their Nebraska and Colorado branches was a project that Barbee designed and implemented for Commercial Federal Savings and Loan (now Bank of the West).
- ◆ Barbee customized the end user training materials and formulated the training rollout and assessment for Farm Credit Services Midwest Region's move to a client/server and MS Office environment.
- ◆ When St Joseph Hospital moved all of their hospital and clinic divisions to MS Outlook and MS Office, Barbee customized the pre and post assessment tools, the training materials, and sat on their implementation board to help guide this extensive transition.
